

# How to Join a Wall

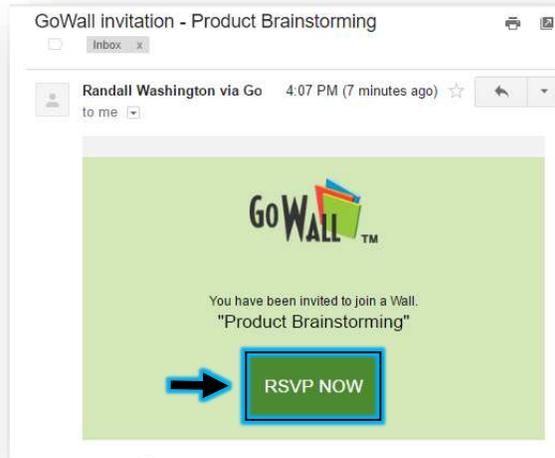

## OVERVIEW

There are three different ways to join a Wall:

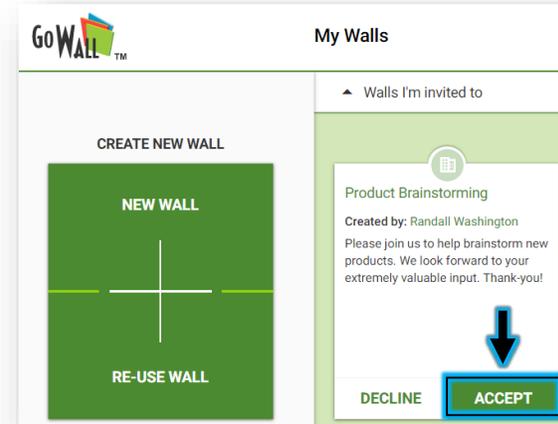

- Join by Email Invite (p.1)  
This is the most common way to join a Wall. A Facilitator sends an email invite to your inbox. Open it to RSVP and join a wall.
- Join by Wall ID (p.2)  
In some cases, a Facilitator may share a Wall ID instead of inviting you by email. Log in to GoWall and you'll be able to join a wall by inputting a 'Wall ID'.
- Join from 'My Walls' (p.2)  
Log in to GoWall. If you've been invited to a wall, it will appear under 'Walls I'm invited to'.

## JOIN BY EMAIL INVITE

If you've received a GoWall invitation via email, open the invitation in your email inbox & select "RSVP NOW".

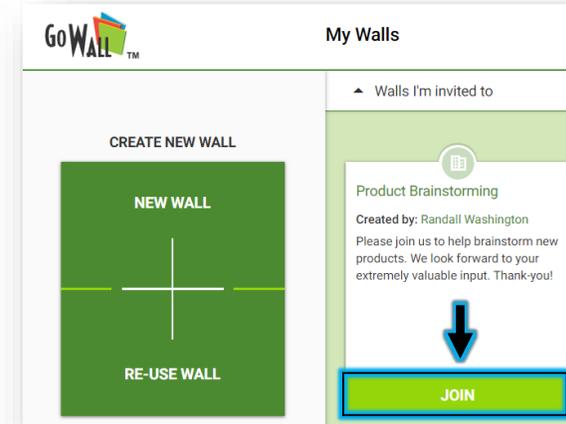

Sign in using your existing GoWall account & select 'ACCEPT'.

Select 'JOIN'.

(Note: If a wall is 'CLOSED', you will not be able to join it until a Facilitator opens it.)
